## EXPAND AND DEVELOP

As your family grows you need more space and comfort...

Would you like to modernise your home?  
Established and want to stay in the area?

The Blint team will transform your existing family home into a truly livable and exciting space. Our contemporary designs, exacting standards of excellence, solid construction and superb finish take quality and luxury up a notch.

Offering a raft of exciting design and environmental features, fixed price contracts and guaranteed minimum disruption our reputation in the Bayside area is renowned.

## REALISE YOUR DREAM...

Now you can have the house you have always wanted!

- Contemporary, open plan designs
- Extra space – ground floor + second storey extensions
- Luxurious, fully appointed bathrooms + kitchens
- Alfresco outdoor living areas
- Solid construction + quality finish
- Environmental design features

**EXCEED YOUR EXPECTATIONS  
WITH BLINT DESIGN + CONSTRUCTION.**

**Build with Blint  
you'll be glad you did!**

## **MODERNISE YOUR HOME**

Blint create large, spacious open plan living areas, fully appointed kitchens and cleverly designed alfresco outdoor living spaces that bring the outdoor and internal areas together with style. Indulge in modern living with real comfort, home theatre and entertainment areas, large and luxurious bedrooms supported by spacious and well-appointed en suites, walk in robes and your

own spa. We listen to your needs and create the space and design the home you desire.

Blint Design + Construction will take your existing home and redevelop it into a modern, contemporary living space, whilst retaining the charm and beauty of your original home.

- 40 years' experience
- HIA members for 25 years
- Multiple award winners

*“From our very first call to Blints we found them to be very professional. The full service offered appealed to us since it meant we were dealing with one Company from start to finish.”*

At Blint we select the right Designer and design options for your particular project.

- Free Initial design consultation
- Unique & individual designs
- Renovations and extensions
- New houses and rebuilds
- Townhouses and units
- Immediate start\*

\*We begin construction within 14 days of paperwork completion

Our Designers offer expert advice on renovations, extensions, new houses or developing townhouses and units utilizing dual occupancy options.

They will listen to you, gain an understanding of your needs, desire and lifestyle and execute a design and plan that encompasses your vision. A Blint designed home is the realization of your dreams and will last you a lifetime.
